SUPPLEMENT TO
REPORT NO.

The Commission for Naval Terminology of the Jadranski (Adriatic) Institute of the Yugoslav Academy of Sciences and Arts in Zagreb, is working on the establishment of Yugoslav naval terminology. Following the completion of this work a dictionary will be published. Work on the establishment of the most appropriate terms is a very slow process, and for this reason the Jadranski Institute will occasionally issue a list of the principal terms on which the Commission for Naval Terminology has agreed.
